# CAMPUS & FACILITIES

## CAMPUSES

William Academy is proud to welcome students to our two campuses in vibrant Toronto or the charming lakeside town of Cobourg. Each campus offers the same caring support, strong academics, and opportunities for growth, so students feel at home while preparing for their future.

### Cobourg

Our Cobourg campus provides a welcoming, close-knit environment just steps away from Lake Ontario in a picturesque town less than an hour east of Toronto. Known for its safe community and supportive atmosphere, Cobourg offers students the perfect balance of focused study and a high quality of life. Here, students enjoy small class sizes, personalized attention, and the peace of a beautiful lakeside town while preparing for their future.

### Toronto

Located in the heart of Canada's largest city, our Toronto campus offers students access to a vibrant, multicultural community. With endless cultural experiences, world-class universities nearby, and the energy of an international hub, students benefit from both strong academics and opportunities to explore life in one of the world's most dynamic cities.

## DINING HALL

At William Academy, we understand that healthy, enjoyable meals play a key role in student success. Our dining hall serves a **wide variety of freshly prepared dishes** that balance nutrition with great taste. Students can choose from daily hot meals, fresh salads, soups, and international options that reflect the diverse backgrounds of our school community. Vegetarian choices and accommodations for dietary needs are always available, ensuring every student feels included and cared for.

More than a place to eat, the dining hall is a welcoming space where students gather to relax, share meals with friends, and build lasting connections.

# DORMITORIES

William Academy's dormitories in our Cobourg campus provide students with a **safe, comfortable, and supportive home away from home** directly inside the school facility. This enclosed setting means students are always just steps away from their classrooms, teachers, and school activities, making daily life both safe and convenient.

Boys and girls are housed in separate areas, with spacious shared rooms (two students per room during the academic year; up to four students per room during the winter camp) that encourage friendships and community living. Each dorm area features communal washrooms and showers maintained to high standards, as well as a kitchenette for light cooking and snacks. To ensure student safety and wellbeing, **overnight Houseparents are on-site at all times**, and a robust CCTV system throughout the campus provides an additional layer of security.

More than just a place to stay, our dorms foster a sense of belonging and connection, allowing students to live, learn, and grow together as part of the William Academy community.

At our Toronto campus, non-local students are welcomed by homestay families, where they can experience Canadian culture firsthand while enjoying a safe, supportive, and family-oriented living environment.
