EXCELLENCE IN ACADEMICS & ATHLETICS

Welcome to William Academy, where students pursue their Ontario Secondary School Diploma while receiving personalized, high-level athletic training. Our dual-focus program develops both academic and athletic excellence, nurturing well-rounded leaders ready to excel in the classroom, on the court, and beyond.

- **Gold** - Tier 1 Competitive Tournament

WATCH THE RECAP

STAR PLAYER MIA

Hi, my name is Mia Lemke. I'm 14 years old and have been playing volleyball for two years. I play both left side and middle, and I love the fast pace and competitive energy of the game. I'm a team captain at Centre Hastings Volleyball Academy and play for William Academy's U17 and U18 teams. I was honored to receive the Most Dedicated Award in my first year and was later selected for Team Ontario, where I've trained and competed with some of the best young athletes in the province. Volleyball has taught me teamwork, communication, and dedication, and I'm proud to keep growing as a player and leader.

BEACH VOLLEYBALL AT COBOURG CAMPUS

Our Cobourg campus is only 300 meters walking distance from one of the nicest beachfronts in Ontario. Cobourg is a wonderful place for international students to learn about and immerse themselves within Canadian culture. A range of sporting and cultural activities will accelerate students' English language ability and, just as importantly, give them insight into Canadian culture.

SCHOLARSHIPS

William Academy proudly offers full and partial sports scholarships to exceptional student-athletes who demonstrate both academic commitment and athletic excellence.

Scholarship Coverage

- Full tuition
- Room and board
- All team-related expenses

Renewal Requirements

- Active participation on a school sports team
- Maintain satisfactory academic performance, including attendance

Application & Evaluation

- All applicants are evaluated by our guidance and coaching staff based on academic performance, athletic ability, and overall attitude.
- If academic results are below expectation, an interview may be conducted to assess learning motivation and potential for improvement.

English Proficiency

- No English test scores are required before admission. Students will take an ESL placement assessment and will be placed into one of five English levels — all offered at no additional cost.

OTHER FEES

Club fees

If students choose to join sports clubs, club fees are not covered by the school scholarship. These fees typically range from CAD\$ 3,000 to CAD\$ 7,000, depending on factors such as the location of national competitions, and the number of trips to the United States.

Club fees generally include:

- ✓ Qualification and entry fees for Ontario and national competitions
- ✓ Club uniforms
- ✓ Coaching fees
- ✓ Transportation to competitions outside the city
- ✓ Airfare, hotel accommodations, and food expenses

These fees need to be paid after visa approval but before school registration in Canada.

Visa Application

A student may be required to apply for a visitor or study visa before traveling to Canada. Students and parents may choose to handle the visa process independently through a local agent and are responsible for all associated costs.

AGENT CO-OPERATION – SPORTS SCHOLARSHIP

Step 1: Application Review

Our guidance and coaching team evaluates each student's academic record and athletic ability based on the submitted application.

Step 2: Response Within One Week

After receiving a complete application, the school will reply within 7 days with one of the following:

Request for
supplementary
materials

Interview
arrangement

Pre-admission
or rejection
notice

The following fees are intended to cover the Agent's administrative and support costs:

- **Initial Application Fee:** CAD\$ 100 (non-refundable), payable by all applicants upon submission.
- **Administration Fee:** CAD\$ 1,000, payable only by shortlisted candidates who are selected and receive a conditional Letter of Acceptance from William Academy.
